# LAGOON 55

## SUCCESSOR TO THE VERY FIRST LAGOON

It was in March 2021, some 34 years after the launch of the Lagoon 55, the brand's very first model, the builder who has become the world leader in cruising multihulls is (re)launching a 55... Quite a challenge, but above all an opportunity to measure the incredible evolutions in terms of comfort and ergonomics that separate the two models. The displacement is not the same (it has doubled), nor is the program - we've gone from a fast cruising and charter catamaran to a palace for demanding owners, most often managed by a professional crew.
